Project: **Wastewater Treatment Facility Upgrades**

Owner: **Town of Surf City
201 Community Center Drive
Surf City, NC 28445
(910) 328-4131**

Engineer: **Highfill Infrastructure Engineering, P.C.
3804 Park Avenue, Suite A
Wilmington, NC 28403
(910) 313-1516**

Separate sealed bids for the construction of the **Wastewater Treatment Facility Upgrades** will be received at the **Surf City Town Hall, 201 Community Center Drive, Surf City, NC 28445**, until **2:00 pm** local time on **Thursday December 10, 2020**, at which time the Bids received will be **publicly opened and read in the Town Hall**.

The Project consists of constructing the following major items:

- *Installation of two multi-rake bar screens, channel improvements, grating repair, electrical improvements, SCADA integration, and other related improvements at the headworks.*
- *Installation of one new discfilter, improvements to the two existing disc filters, piping modifications, new stairs and walkway, electrical improvements, SCADA integration, and other related improvements.*

Bids will be received for a single prime Contract. Bids shall be on a unit price basis and will be awarded based on total bid price for all work.

Complete Bidding Documents may be obtained at the Issuing Office of the Engineer upon payment of a deposit of **\$250.00** for each set. With request for Bidding Documents supply the following information: Company name, contact person, street address, and phone and fax numbers for Bidding office; N. C. contractor's license with limitation and classification; indicate if the firm will be a Bidder, Supplier or Sub-Contractor.

Registered Bidders who return full sets of the Bidding Documents in good condition (suitable for re-use) within ten (10) days after receipt of Bids will receive a full refund and any registered Non-Bidder, upon returning such a set in good condition within ten (10) days, will be refunded one-half of the plan deposit. The date that the Bidding Documents are transmitted by the Issuing Office will be considered the Bidder's date of receipt of the Bidding Documents. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda if any, obtained from sources other than the Issuing Office.

Prospective Bidders may examine the Bidding Documents at the Issuing Office and Owner's office on Mondays through Fridays during normal business hours and at:

- Metrolina Minority Contractor's Resource Center, Charlotte, N. C.
- McGraw Hill Dodge Company (online)
- CMD Group, offices in Norcross, GA.
- Hispanic Contractors Association of the Carolinas, Raleigh, N.C. (internet only)
- Construction Journal (online)

A pre-bid conference will be held at **1:00 pm** local time on **Thursday, November 19, 2020**, at the **Surf City Wastewater Treatment Facility, 173 Sarge Martin Road, Holly Ridge, NC 28445**. Attendance at the pre-bid conference is highly encouraged but is not mandatory.

Bidders will be required to show evidence that they are licensed to perform the work in the Bidding Documents as required by North Carolina General Statute, Chapter 87 and the Instructions to Bidders. Bid Security in the amount of five percent of the Bid must accompany each Bid and shall be subject to the conditions provided in the Instructions to Bidders.

ARTICLE 1 – AMERICAN IRON AND STEEL REQUIREMENT

1.01 **Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials.**
